Dear Classmates,

It is hard to believe that ten years have already passed since our last reunion, but it is even harder to believe that 20 years have passed since we graduated!. A lot has happened during those years. We have all grown a little older in age, but a lot wiser. Each year makes us grow closer to our friends and family. Which makes each reunion more important, our classmates have become our biggest family.

We all have so much in common and have shared so many memories with each other that each time we get together means more and more to us. Let this 20 Year Reunion be a time to catch up on old memories and to make new ones.

Many thanks to all who were able to attend, thanks for being a part of our reunion's success. And to those you could not attend, hope to see you next time!

Welcome back Colts!!!

I've been working as a paralegal, got married to Jimmy Littleton (c/o 87 also) in 1992, had my first child in 1993 and became a stay at home mom in 1994. In 1996 an attorney I had previously worked for gave me the chance to work from home as a paralegal, so I've been doing that ever since. I now have three children 9, 10 and 13. Jimmy has a carpet cleaning buisness so I handle the bookkeeping for that also. We live on Lake Kerr so we do a lot of boating activities. We usually vacation in the Keys in the summer and love to take mountain trips in the winter. That's about it.

After graduating, I married Michael D'Andrea and had three beautiful and unique children. I divorced in 1999, and went on to write, and to teach writing to elementary school children. My hobbies include cooking, as well as archery and target shooting. In 2006 I married Paul McCoy, an officer for the Alachua County Sheriff's Department. Currently I am trying to publish a novel, as well as writing for a local magazine.

I am happpily married with 3 children. Harry, 8, Tommy 6, and Emily 2. We spend alot of time playing different sports leagues at the local YMCA. It's hard to see YMCA and not think of the song isn't it? I just switched jobs in May of this year, 2007, after almost 15 years at the Title Company. I am working for a medical billing company. I am learning all aspects of the business and will mainly be helping with marketing and expanding the business. It was a great move. I'm lovin it and lovin life. I hope any of you reading this are doing great also! I have acquired a new motto since our last reunion that sums up how to live our lives. Make TODAY an incredible day!

Wow...where do I start?! :-) I got married in 1989..(.we've been married 18 years!!) We first lived in southeast Georgia. A tornado destroyed our trailer 6wks after we were married!(We decided...No more trailers!)We then moved to Southwest Ga and our first two children were born there. Moved to North Georgia and we got legal custody of our two little boys..who were 2 and 7 at the time. So, life changed a lot going from 2 children to 4! My husband works in the Electric Power Company here.I'm still working on my teaching degree. Some of you may remember that I loved the spanish language. I work in an elementry bilingual school in 1st grade so I'm getting to work with children and use the language - two things I really enjoy. My oldest is in 10th grade now....so hard to believe! Then my daughter is in 8th, son in 4th, and little one in kindergarten.

God has given me so much to be thankful for these past 20years!! I'm sorry I won't be able to go to the reunion. I'd really like to see some of you. Please feel free to contact/email me. Have a great time! bthain98@gmail.com
